DISSENSION AMONG KMT MILITARY LEADERS:
COMMUNISTS LIMIT PARTISAN ACTIVITIES

GEN SUN REMAINS IN HONG KONG -- Ta Kung Pao, 13 Sep 49

Hong Kong -- General Sun Li-jen, Defense Commissioner of Taiwan, arrived unexpectedly in Hong Kong the other day. He told reporters that he was only passing through enroute to Kuang-chou (Canton) on his arrival but he is still remaining quietly in the city.

It is rumored that he has submitted his resignation to Acting President Li and Premier Yen. A military person in Hong Kong is quoted as saying that General Sun has found it impossible to carry out his responsibilities efficiently because of the conflicting ideas of Governor Ch'en Ch'eng, Gen Pai Chung-hai, and Premier Yen as to the disposition of Taiwan military forces.

It is said that Governor Ch'en is insisting that Sun's newly trained troops remain in Taiwan and that only in case of emergency, they be sent by air to Chung-ch'ing (Chungking) for the defense of Szechwan. General Pai is insisting that they be used to reinforce the left wing of the forces defending Fukien and Kwangtung, while Premier Yen has been urging that they be committed to the defense of Kuang-chou.

TENS TIGHTENED ON ARMED PARTISANS -- Ta Kung Pao, 13 Sep 49

Ch'ang-sha, 12 September (NCNA) -- The contribution of the CCP armed partisans in guarding supplies, railways, and highways, and in rendering aid to the front line troops since the CCF entered Hunan has been considerable. However, a number of KMT secret agent groups and sympathizers have taken advantage of the existing conditions to call themselves armed partisans to work against the CCF and the interests of the people. The Communist authorities are now taking steps to prevent these illegal groups from carrying out further subversive activities by requiring all partisan groups, unauthorized by the People's Liberation Army, to cease operations. Moreover, all unauthorized partisan groups have been ordered to turn in all arms, insignia, and records.
